

I am writing to urge the FCC to keep K-LOVE (91.9, 99.3 and 89.5) on the air. K-Love serves me as a resident of San Jose, CA to provide me with uplifting spiritual music on a daily basis. I have also seen them at community events and think it would be a great disservice to the entire community to have them displaced by an LPFM broadcaster providing other programming. There are too many stations on the air already providing raunchy, loud and obnoxious music that is just not suitable for our children. We need to have a station that provides a safe haven for our family unit. Please keep K-LOVE on the air! Thank you for your consideration.
